

Cloud Solutions.

Power and Performance for the Wherever, Whenever Workplace

Maintaining expensive physical infrastructure on-site is inefficient. With Segra's cloud solutions, you gain the flexibility, security and reliability to keep your business moving forward confidently.

Get Unstuck from Outdated Infrastructure.

- **On-the-Go Access:** Work with business-critical data and applications from anywhere, anytime.
- **Simplified IT Management:** Gain more control and flexibility.
- **Cost Control:** Only pay for the resources and capacity you need.
- **Disaster Response:** Quickly recover from failures or cyberattacks.
- **Scalable Infrastructure:** Adjust capacity and performance on demand.
- **Enhanced Data Security:** Automatic backups keep sensitive information safe and secure.
- **Tailored Cloud Strategies:** Build the right mix of private, public or hybrid cloud solutions.
- **Local Support:** Our local experts are available 24/7/365.

Proactive Support and Compliance

On-site engineers continuously monitor all Segra services, ensuring compliance with SSAE 16 SOC 2 Type II, PCI DSS and HIPAA standards.

Create Your Winning Technology Game Plan.

In addition to managed cloud solutions, Segra helps you design a winning technology game plan for your business to get connected, remain secure and facilitate communication.

RELIABLE CONNECTIVITY

Get fast, reliable business internet on Segra's expansive fiber network footprint.

FORTIFIED CYBERSECURITY

Protect your network and data with advanced threat detection and intelligent defense solutions.

POWERFUL VOICE

Bring together voice and data solutions across multiple platforms.

Why Segra?

At Segra, we understand that winning in today's business landscape requires more than just technology – it requires a strategic connectivity game plan, relentless agility and innovation, and a human touch.

We invest in our customers, our network and our people to deliver exceptional connectivity solutions and customer service that empower businesses to thrive.

Our local-market operating model means your whole team – from sales to network engineering to customer support – are all living and working in the communities they serve.
